

Kendal & District Bowling League - 2018 Fantasy Bowls

Rules:

Select your team of 8 players from the list, with a maximum total value of **£250k**

No bonus given for spending under £250k but you are allowed to do so if you wish

Only 1 entry per person allowed

Please note that player costs have been calculated based on historic results achieved and as a result there is a good possibility that some players will be over-valued and others under-valued. Please do not take offense to any of the values attributed to individuals, as it is by no means meant; if you think you're under-valued it will just mean you're a better acquisition for someone to put in their team!

Players competing in 3 of the first 4 fixtures will be added to the list and available to transfer in from gameweek 5. Similarly, anyone playing 6 of the first 10 not already on the list will be added.

Scoring:

Merit points +/- 10% of aggregates achieved in division 1 games

Fantasy Cup:

Every team entered will go into the Fantasy Cup, which will be played over the season

Team with the highest number of wins from their players in the gameweek will progress

If teams have the same number of wins in a round a replay will be played in the following gameweek

If a replay is tied on wins then the tie will go to penalties in the following gameweek

No replays in the cup final - if tied then straight to penalties the following gameweek

Transfers:

You have two options for transfers:

1) Use up to four individual transfers over the course of the season

2) Use a wildcard, where you can change up to ALL of your players in one go (cannot be used until gameweek 12 or later)

Teams after transfers must comply with the existing rule relating to total spend

Prize Money:

Once all entries have been received details of prize money breakdown will be emailed out

The Kendal & District Bowling League will retain up to 10% of entry fees to cover expenses etc.
